My friend is
a high class

oblivious to
the world
around her.

Hana-chan

I was

Hatoko...
didn't I say
we'll be
walking to
school
today?

so I gave
up....

On the
way to
school, I
kinda got
lost...

She doesn't have
any sense of
direction?

My
classmate,
Hiyomori
Hatoko is

I'll try my
best
tomorrow!

Someone
who I
can't leave
alone.

A very
important
friend.

Alright-

Ah the
first bell

head to
class!

Oh yeah,
Hana-chan!

Don't worry

W-won't that be difficult? You're always making mistakes. You'll be fired instantly

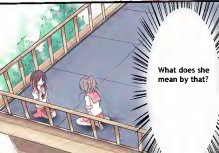

That way I won't be fired.

I'll just open my own shop!

What does she mean by that?

After
School

It's just
right
around this

The way
of
thinking
is way off

normal
person....

To
actually
open a
shop is
just...

Wa...

Please
come in

What a
cute
cafe...!

Has the
shop
started
running?

No.
Actually,
i'm the
only one
who's
working
here...

You know,
um, if
you'd like
to...
